Sub: Licensing & Registration of Food Businesses under Food Safety & Standard Act 2006, reg.

Dear Sir,

In order to letter D.O. No.F. 1-1/2016(Secy) on 21 October, 2016, from University Grants Commission, New Delhi regarding the Food Safety and Standards Act, 2006, it is mandatory for all the Universities and Educational Institutions to strictly follow the guidelines of Food Safety and Standards Authority of India (FSSAI), Ministry of Health and Family Welfare, Govt. of India. Under this act, regulation 2.1.2 of the Food Safety & Standards (Licensing & Registration of Food Businesses) Regulations, 2011 stipulates that "*No person shall commence any food business unless he/she possesses a valid license.*" As you are running Mess/ Canteen at Uttarakhand Ayurved University premises, it is your whole sole responsibility to provide safe and wholesome food to all students and staff members. It is however noticed that you did not yet submit a valid license obtained from FSSAI to this office to legally run the Mess/ Canteen at University premises.

Therefore, it is anticipated from you to submit a true copy of your valid license from FSSAI, Ministry of Health and Family Welfare, Govt. of India to run the Mess/ Canteen at University premises at earliest as possible.

With regards,
